

Dear IAPS Members,

The IAPS EC on behalf of all IAPS members appreciates the selfless work and service that many of our members have carried out in serving COVID patients during this pandemic.

We would like to felicitate members who have offered services to COVID patients. These members may please give me their names, membership number, photo and a brief description of the type of service that they have offered during this pandemic.

Kindly send the details on my personal email shaha...@gmail.com and not on the group please.

The last date for sending in the details is August 15, 2021

With best wishes,
Dr. Amar Shah
