

Dear Friends,

Applications are invited for a one-year 'hands on' training program in pediatric urology at Apollo Children's Hospital, Chennai.

This year there was a lot of uncertainty about the start date due the Covid Pandemic. However we now have the 'go-ahead' from the university and hence this appeal.

Answers to some oft asked questions:

1. Is there a stipend? - yes - according to the qualifications and experience of the trainee.
2. Is this affiliated to the Medical University? - yes - to the Tamil Nadu Dr MGR medical university.
3. How long is the program? - one year.
4. Is it 'hands-on' - absolutely yes.

For any further queries you may call Dr Vidhya T - our current fellow on 9710449336.

If interested please send your CV and a one page 'statement of purpose' - this is just to understand why you want to do this program and what you propose to do after it.

Cheers,

Dr.V.Sripathi MS, MCh, FRACS, European Board Certified (Ped Urol)  
Senior Consultant Pediatric Urologist  
Director Fellowship Program  
Apollo Children's Hospital, Chennai
